Oak Grove Welcomes Dr. Joseph McBrayer

Today Oak Grove celebrates the official arrival of Dr. Joseph McBrayer as our new associate pastor. Joseph will have responsibility for our Invitation and Discipleship ministries. Joseph is new to Oak Grove, but he is not new to the neighborhood. He and Frances have lived in the area during his tenure at Emory. Joseph comes to us after serving as Director of the Wesley Fellowship at Emory University. As the director of the United Methodist campus ministry, Joseph has been working in faith development and missions with college students.

Frances works with Catholic Charities, and they have one child, Ali, who will be attending Coralwood next year.

Joseph has been in ministry in the United Methodist Church for eight years, and we look forward to the next chapter of his ministry at Oak Grove. Already, he has been meeting with staff in planning worship and scheduling events for the next year. You will enjoy his easy manner, his deep faith, and his intentionality.

Photography and videography are hobbies for Joseph, although his skills exceed most hobbyists! We look forward to seeing the fruits of those gifts, too.

Transition comes quickly in the United Methodist Church. This year, we said farewell to Susan last week, and we are welcoming Joseph this week. A quick transition can be difficult emotionally, but it is helpful to the church, because ministry continues uninterrupted. You can help Joseph by wearing a name tag, introducing yourself repeatedly (you have one name to learn, and he has 3,000), and offering words of encouragement.

We look forward to the years ahead, as we share ministry with Joseph, and we pray that the Lord will give us new opportunity for spiritual growth, faithful service, and effective ministry at Oak Grove.

*Affirmation of Faith

God spoke from the mountain and said,

I am the Lord your God, who brought you out of the land of Egypt, out of the house of slavery;
You shall have no other gods before me.
You shall not make for yourself an idol.
You shall not make wrongful use of the name of the Lord your God.
Remember the Sabbath, and keep it holy.
Honor your father and mother.
You shall not murder.
You shall not commit adultery.
You shall not steal.
You shall not bear false witness.
You shall not covet anything that belongs to your neighbor.

God has given us these laws for living in community.

Thanks be to God.

Call to Prayer

Be Thou My Vision

UMH 451

Be thou my wisdom, and thou my true word; I ever with thee and thou with me, Lord;
Thou and thou only, first in my heart, great God of heaven, my treasure thou art.

Intercessory Prayer and The Lord’s Prayer

Response: Lord, in your mercy, hear our prayer.

Our Father, who art in heaven, hallowed be thy name, thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory, forever. Amen.

Parents and children: It’s time for our annual Read to Feed program! Stop by the table outside the former library or visit us in the new library to sign up. This is one of the OGUMC annual mission projects, and it benefits Heifer International, an organization dedicated to ending hunger by providing animals to people around the world, training them, and passing on the benefit to others. Your child obtains sponsors for their reading and the money goes toward providing needy people with the means to support themselves and their communities. Come by today and let’s get started on summer reading!

June 26-29 WE LIKE TO MOVE IT MOVE IT! - Cindy Balte will lead our campers as they get their groove on during our physically fantastic week of dance, games, and yoga fun. We will rock & roll, line dance, and limbo ourselves into a high energy state before chillin’ it back down with some mellow yoga moves.

July 10-13 MR. KMART CONDUCTS - Music from around the world - This musical week, we will explore music from other countries and cultures. Campers will dance Irish jigs, drum out African tribal beats, explore didgeridoos from Down Under, and head to the islands for some steel drum excitement. It will be a busy week of songs, instruments, dances, and hands on fun. We end the week with a special musical guest performance you won’t want your child to miss!

July 17-20 THE WRITE STUFF - Utilizing songs and strategies from the Handwriting Without Tears program, we will take our bodies, voices, hands, and brains on a multi-sensory journey designed to introduce and reinforce the building blocks of handwriting. Tracey Bell, Occupational Therapist at YCS, will engage campers in a variety of games and activities designed to strengthen gross and fine motor skills.

For most children, summer vacation is the best time of year. But for many children, summer also means a vacation from the meals they receive at school. For some children, no school means no lunch. At Oak Grove, we want to make sure that all children have the food they need.

For 10 days during the summer we will meet in Fellowship Hall at 10:30 a.m. to enjoy fellowship, coffee, pastries, and a devotional, then we will assemble 600 sack lunches.

**Assembly Dates: Tuesdays and Wednesdays:**
- June 20-21
- June 27-28
- July 11-12
- July 18-19
- July 25-26

Oak Grove continues to be a growing, thriving congregation. We have received more than 100 new members annually in 8 of the last 10 years. Although some members pass away and others move away, the active portion of our congregation is growing. And our congregation is becoming younger too. Just look on the Grand Lawn and playground after church, and you will see many children running and giggling!

Over the first three years of our building program, we saw God’s richest blessing and guidance as we began renovating and expanding our facility. As we stated when we started three years ago, this project is six years from beginning to end. **Watch the Oak Grove News in the coming weeks**, and you will hear details about each aspect of the building program. This is such an exciting time in the life of Oak Grove! Here is a summary of the major points of our building program that are still to come.

Children are our first priority, and they will receive more space as a result of **completing the top floor of the new wing**. We will relocate most adult classes to the new wing so that the current education wing can be dedicated to our children. The new third floor will include classrooms, some of our offices, a new prayer room, and storage areas for ministries. We will maintain some staffing in the renovated Portico entrance so that whenever someone comes to Oak Grove there will be a staff person to greet and assist.

With most adult classrooms located in the new wing, space for children will be expanded. The children’s wing will have space for an assembly room, play area for younger children, expanded nursery, nursing mothers room, and added storage. Priority classrooms will be renovated for the children. We will **renovate the rest rooms** in the existing wing. The **music ministry** will have a new handbell rehearsal room and storage for robes for the children’s and youth choirs.

Another priority of this plan is addressing critical maintenance needs, including HVAC, sanctuary boiler, and breaker panels for which we can no longer obtain replacement parts. The Fellowship Hall roof repair is complete, and the repair of the Fellowship Hall ceiling is in progress. We intend to replace the floor in Fellowship Hall and freshen up the space with new paint. Outside we will landscape and correct a long-standing drainage problem.

*(Continued on back)*
In the sanctuary, we will repair the organ, replace pew cushions, and install new carpet. We will also dedicate more space to the Altar Guild and improve the sacristy.

Seniors and parents with young children will appreciate the work on improved entrances. The Portico entrance will have glass doors that can open automatically so that people with strollers, wheelchairs, and walkers can conveniently access the building. As you enter, there will be a reception desk on your right that will have church staff available during office hours. Additional parking will be added, and the lower parking lot will be resurfaced.

We will create a fenced green space in the lot where the former Kid's Clubhouse stood. This space will be home to outdoor events for children, youth, Scouts, Oak Grove Christian School, church picnics, and community gatherings. It will be one of the favorite gathering places for children, youth, and adults.

We project that we will significantly reduce the long term debt. When we began the project we promised that the residual debt would not exceed $1.8 million. If people continue to give generously, we believe we can reduce the residual debt by even more, with the potential of being debt-free at the end of this campaign!

These are the projects we know. With any building our size, there are always new needs emerging, and we have included provision to address those needs. We know the video projectors in Sanctuary and Fellowship Hall need replacing. We also know that we need to renovate the rest room in the Narthex Bride’s Room. We hope we can manage income and expenses in a way that allows us to address emerging and unforeseen issues.

We hope that you will attend the upcoming Town Hall meeting on June 25, at 9:45 a.m. in the sanctuary. Additional information about the budget program will be shared.
